

Churchill Garden Club

Do you know the difference between an annual and a perennial? Looking for a way to know some of your neighbors and become involved in the community? Join us and become a member of the Churchill Garden Club.

Mission Statement: The objective of this organization is to promote an interest in horticulture; an appreciation of artistic design, and an awareness of ecology and the environment.

Membership is open to men and women interested in pursuing the goals of the organization. Although the majority of our members reside in the greater Churchill area, we welcome all interested candidates who share our goals. Meetings are held monthly from September through December; March through June and are followed by a fun activity.

Dues: Ninety-five dollars per annum, due by July 1. Checks are made payable to the Churchill Garden Club and sent to Sharon Pedrotti, 3816 Henley Drive, Pittsburgh, PA 15235.

Civic Contributions: During the past year we contributed to Penn State Extension-Garden Table, Pittsburgh Botanical Garden, Grow Pittsburgh, Penn State Extension-Mercy Behavioral Garden, Western PA Conservancy, and Phipps Conservatory.

Community Service: Our club maintains three community gardens; is responsible for an Adopt-A-Highway Litter Control Project.

Programs – 2022-2023

August 21, 2022
September 15, 2022
October 10, 2022
November 10, 2022
