

ALLEGHENY COUNTY LEAD SAFE HOMES PROGRAM

FREE home repairs to keep families safe from lead paint.*

Why apply?

Lead is a common ingredient in household paint in homes built before 1978. **NO level of lead is safe.** It is toxic to humans, especially young children. Even low levels can cause **IQ loss, behavioral problems, developmental delays, and other health issues.**

What does the program do?

1. **Tests** homes for lead
2. **Removes, replaces, or covers** all areas in a home with damaged lead paint.
 - Repairing and repainting chipping and peeling lead painted surfaces
 - Window and door repair or replacement
 - Covering lead paint on the outside

Apply today!
