Fun for all ages- Bring the family - Meet your neighbors

With the **Swift911™** mass notification system, organizations can alert thousands of residents at once, coordinate emergency response efforts and make decisions quickly when an emergency strikes. Plus, it's backed by the SwiftReach Notification Delivery Network (NDN), a highly-secure and fully-redundant platform which offers mission-critical delivery speeds and unmatched reliability. When seconds count, you need **Swift911™**.

As a further means of communication, we would like to make available to the residents a system called SWIFTREACH. The system will enable us to launch alerts to your home via land line or cell phone. It will be used to communicate Borough business information only. Please email or call the Borough office with your phone numbers.

**Reminder - Borough taxes are due at face by 6/30/2018.
If you paid your house off please call the borough office
and let them know.**

Woodland Hills EMS Fundraising Night:

The Woodland Hills EMS will be participating in a Fundraising Night on Monday, July 2, 2018 from 4:00 PM to 8:00 PM at the Texas Roadhouse at 3466 William Penn Highway, Pittsburgh, PA, 15235. Call ahead for seating at 412-824.4540. Go to our website churchillborough.com and print the flyer to have 10% of your food purchases donated to the W.H.E.M.S.

DO IT YOURSELF BLOCK PARTY:

Plan a “get together” on your street this summer. It would be a good time to discuss the trials of snow shoveling in February and to celebrate surviving the winter of 2017. It reminds us how important it is to know your neighbors.

**Churchill Borough Police Department would like to remind all residents to please call 911 if you observe any suspicious activity.
If you would like to be on the no-solicitation list please contact the Borough office.**

The Churchill Area Environmental Council (CAEC) will have a new advisory titled "Addressing Common Contaminants-asbestos, lead, radon" with important information relevant to our local area. It is available at the municipal building, or you can download a copy from the CAEC website after June 15th, 2018. The website is hosted at churchillborough.com. Select "Around Town" from the menu bar, click on "Churchill Area Environmental Council" and bring up the complete set of CAEC advisories in order by date of issue. The new advisory discusses recent, local problems with common contaminants as well as remediation possibilities for residents to consider.
