LISTEN TO VISITORS - None

NEW BUSINESS - None

OLD BUSINESS

Committee Reports - Ms. Yankes discussed distributing a survey for the deer study and all Council Members were in agreement to proceed.

Property Maintenance - Discussion ensued regarding the best method to update residents on the status of problem areas.

Manager Update - The cost for paving had a dramatic change due to the condition of Longbow and Stevendale. The sub-surface of Longbow was in such deplorable condition that a total reconstruction had to be done. Also, only a part of Stevendale was slated for paving, but the cul-de-sac was in disrepair and was an add-on to the project. While Williamsburg was originally scheduled to be paved it had to be moved to next year due to monetary constraints.

ADJOURN - There was a motion by Mr. Defranco and seconded by Ms. Yankes to adjourn at 7:50 p.m.
